Sushi Rock lends its vibrance to Arlington's booming Courthouse neighborhood as a rock 'n' roll-themed restaurant, bar and lounge offering happy hour specials, unique menu items to delight the taste buds and clever cocktails to compliment. This eclectic Japanese and Sushi restaurant is a rocking addition to the Northern Virginia restaurant scene.

With over 15 years of culinary experience under his belt, Sushi Rock's owner and chef, Steve Yoon has a passion for crafting delectable cuisine. After studying agriculture and earning a BS degree, Yoon realized his true calling was in the restaurant industry. Yoon began his journey at Le Cordon Bleu and continued to hone skills as a sushi chef and kitchen manager at Hama restaurants in California and Grand Hyatt Hotel in Washington, D.C. Through his extensive training and experience, Yoon was inspired to reach his goal of owning his own restaurant. His dream was achieved in 2012 when he took over as owner of Sushi Rock.

Rated as one of Zagat's DC Best Noodle Shops, Best Sushi from Arlington Magazine and Hottest New Bars in Metro D.C., Sushi Rock has an amped up menu that serves new and old world Sushi and Asian dishes, like Japanese udon soups and ramen noodle dishes. In addition to traditional sushi rolls, Sushi Rock knows how to fire up appetites with contemporary, sushi entrees named after jukebox favorites, like the "You Shook Me All Night Long" roll and the "Light My Fire" roll.
